

New Heater-

Wouldn't it be nice to put a new heater in the Little Red Schoolhouse before this coming winter? The one in there works but it is from the 1970s and could need repairs in the next few years.

I am writing several profitable businesses. I know many smaller businesses are more than likely not doing real well. If ANYONE wants to contribute send a check to the Maple Shade Historical Society and write that you are contributing money toward a new heater.

Thanks.

Open Houses--

The Little Red Schoolhouse is open on the first and third Saturdays of each month from 1-4 pm. The schoolhouse is on West Main Street near North Coles Avenue, Maple Shade. Also, sometimes it is open on other Saturdays as well.

I'd have to guess 2/3 of all the MSHS money has come from one family. First the husband died and then the wife and each time they gave some money in their Will. If someone gives say 5,000-8,000 dollars that pays for maybe the next paint job, the next needed repair, part of a new roof.
